

Flower tattoo

Down By Law

Do you wanna
Go for a walk?
You can hold my hand
We can laugh and talk
You can lead the way
Which way ya wanna go?
Tell me all the things
I really wanna know
With a t-shirt, sneakers and some faded blue jeans
A pocket in the back, ripped from the seams
She really doesn't care
What they hear & see
What they think about her, what they think about me
II wrote the perfect song
You know i'd name it after you
Hair is gold & her eyes are blue
I'm in love with the girl with the flower tattoo
