

# Another Day

## Down Low

C'mon!  
The D O W N to the L O W!!  
Yeah yeah! (Hit me)  
The D O W N to the L O W!!  
Oh yeah yeah! (Hit me)  
The D O W N to the L O W!!

### Chorus

You really love someone, I'm tired of the games you play  
I can't stay, stay another day  
You've been love some round, I'm tired of the games you play  
I can't stay, stay another day  
Yo! Down Down Down Down Low

Crying, remember how billion times when I use to call you mine  
Slowly dying inside, repeatedly I ask my self why?  
Yo Yo! Aha, shortie have been bugging straight up  
Trying to tell me how the rumors about how we made up  
Talking about I was the only one she had laid off with  
Every since last Christmas, so I said why don't you quit this  
Cause myself was in my witness,  
I was just walking around one day now on my business  
In the West End when I saw her living on Holiday Inn,  
Company by her best friend  
So I caught a pigeon plus two desmans  
So I'm trying to hear apologies, "I'm sorries" or confessions

### Chorus

You really love someone, I'm tired of the games you play (C'mon!)  
I can't stay, stay another day (Check it out!)  
You've been love some round, I'm tired of the games you play (C'mon!)  
I can't stay, stay another day (Ah, ah Yo!)

Oh, baby you! Never did a thing, one day you were gone!  
Creeping on the dido, you I needed so, but now I'm out the door  
Cause things ain't like before since I caught you playing ho  
No baby no! I don't feeling like being your fool anymore  
And I will tell you real slow cause I told you before  
And I will tell you again, you need to stop with this shit  
Or I am gonna get with you friend, not with your man  
I never thought it would be like this  
I never thought you would be missed  
But I just can't go on and I'm living  
I have to be strong, and go my way  
I can't be having you doing me wrong!

### Chorus

You really love someone, I'm tired of the games you play (Yo!)  
I can't stay, stay another day (C'mon!)  
You've been love some round, I'm tired of the games you play  
I can't stay, stay another day

The D O W N to the L O W!!
