

# Don't You

## Down Low

You just don't understand what's going on, do you?  
It seems like we can't understand one another  
And I think things between us are going to extreme  
So I want you to understand this (girl I need you)

I'm begging you not to leave me  
For I know there are reasons  
For you not to believe me  
When I say I changed my ways  
To many nights I lied to you  
And to many times I made you cry boo  
I know I need to change em'

To many times I have lied to you  
To many nights that you stayed up just cryin' girl

Don't You! Don't you go away  
Oh I miss you girl, I have to say  
Without you there're just rainy days  
Babe, I want you to stay  
Don't You! Don't you go away  
Oh I miss you girl, I have to say  
Without you there're just rainy days  
Babe, girl I need you

Yeah, c'mon now  
When I get to you you know what to do now  
Yeah, c'mon now  
When I get to you you know what to do

I'm begging you for a last chance  
For I don't deserve it  
I hope to save our romance  
'Cause I love you 'til the end  
But to many nights I lied to you  
And to many times I made you cry boo  
How could I risk to lose you (How could I risk)

To many times I have lied to you  
To many nights that you stayed up just cryin' girl

Don't You! Don't you go away  
Oh I miss you girl, I have to say  
Without you there're just rainy days  
Babe, I want you to stay  
Don't You! Don't you go away  
Oh I miss you girl, I have to say  
Without you there're just rainy days  
Babe, girl I need you

Baby when I first I ran in to you I drove you crazy  
But now you acting like you hate me  
Can we meet at the end of the week  
So we need to speak about you and me  
Now you need to know I won't let you go  
Cause I need you so, I won't let you go  
Now baby, why you acting like you hate me?

It's crazy (girl why you acting like you hate me?)

Don't you leave me, I will never let you go  
I will never let you go, girl I need you  
Don't You! Don't you go away  
Oh I miss you girl, I have to say  
Without you there're just rainy days  
Babe, girl I need you
