

# Lovething

## Down Low

It's a lovething, a lovething yeah  
I've gotta show you baby, how deep my love is  
Can't you see it, see it in my eyes  
I ain't playin' games, I ain't tellin' lies  
I've gotta show you baby, how deep my love is

Sexual dreams and moonlight screams,  
Passionate sex from a red light beam  
Intercourse in your mind is where I lie,  
Baby, in a aqua bed just one more time  
Lovin' each other in a carin' mode  
An hour of this, my boy explode  
Playin' wit' you, it seems like forever  
Maybe God put us here for us to be together  
You're makin' me choose certain things in my life  
Maybe settling down with kids, my wife  
But this time I'm gonna do it all right,  
Hey show me that position you did last night  
Now we can just do it all over again,  
Sharin' passionate sex till time's end  
C'mon and let your body swing,  
While my boy sing about this lovething

It's a lovething, a lovething yeah  
I've gotta show you baby, how deep my love is  
Can't you see it, see it in my eyes  
I ain't playin' games, I ain't tellin' lies  
I've gotta show you baby, how deep my love is

Bodies shaking, the love we're making,  
Climbin' to the top is where I'm taking  
You - and all the things that you do  
I feel like Sherlock Holmes tryin' to find a clue  
This, what we have is so exciting  
Givin' into you is so inviting  
Girl say my name just a little bit longer,  
So I can go just a little bit stronger  
Hold my hand and squeeze your toes,  
I know it hurts, but deeper I go  
Havin' fun with me while I do the same,  
Another girl who fell victim to the game  
Grab my pillow, overlay your mouth,  
So my neighbor next door can't hear you shout  
Say that I'm the best and your only lover,  
Bang - it's nothin' but a lovething

It's a lovething, a lovething yeah  
I've gotta show you baby, how deep my love is  
Can't you see it, see it in my eyes  
I ain't playin' games, I ain't tellin' lies  
I've gotta show you baby, how deep my love is

I've gotta show you,  
How much I love you,  
I've gotta show you,  
That my love for you is real  
I've gotta show you,

How much I love you,  
I've gotta show you,  
That my love for you is real  
I've gotta show you baby, how deep my love is

Say that I'm your best and your only lover  
Bang - it's nothin' but a lovethin'  
I've gotta show you baby, how deep my love is

Say that I'm your best and your only lover  
Bang - it's nothin' but a lovethin'  
I've gotta show you baby...

It's nothin' but a lovethin'
