f of me.

```
I keep rocking with there arms around me. I can't get them off
of me.
Gold mine. I hope that your watching me, i hope that your clock
ing me,
cause every second is go time!!!
I'm in a dark club, lights down,
bottles up, Chillin with my shades on, I don't give a fffuck. E
is go time, lights on, show time, room full of tens and they're
all down,
gold mine! Alpine ski slope, california, lyric like a river, I
don't need
dope.
I'm in the now, cups up, so damn reckless. lets go now!!
I keep rocking with there arms around me. I can't get them off
Gold mine. I hope that your watching me, i hope that your clock
cause every second is go time!!!
It's go time, Go big or go home time!
It's go time, Go big or go home time!
Me, I'm into big, big, big wheels, big trucks, big trains, big
clubs,
Me, I'm getting big drunk. we all look like a,
who don't know thier way back, Couple shot of straight jack.
fitting like a stray jacket
You know my moto!! YUP. Camp toronto.
Living everyday like I fucking won a lotto.
Watch me on stage.
I keep rocking though there arms around me. I can't get them of
f of me.
Gold mine. I hope that your watching me, i hope that your clock
ing me,
cause every second is go time!!!
It's go time, Go big or go home time!
It's go time, Go big or go home time!
Solo.
```

I keep rocking though there arms around me. I can't get them of

Gold mine. I hope that your watching me, i hope that your clock ing me,

cause every second is go time!!!

It's go time, Go big or go home time! It's go time, Go big or go home time!
