

## We Knew Him Well...

Down

Consume it All...  
So Drink up!  
Distrust the honest  
Say enough to be hanged  
From Troubled Tree tops  
Word of Death to Men  
Was it not good enough?  
A ten year steep decline  
Tangled in a .???  
A history of a brother  
Distrust the honest  
Say enough to blind  
Genius Eccentric  
Sympa-fucking-thetic  
He... mystic???  
Control with anothers???  
Ripped out hearts of brothers
