

Bleed For This Love

Downhere

Out of solid rock, I made a river
To the desert drought, I brought the rain
Did you doubt, for a moment,
That I felt your pain?

Just when you think the story's over,
You know my love is strong as ever
'Cause I'm gonna bleed for this love

In a flooded land, I sent a leaf
From your captor's grip, gave you release (oh yeah)
Did you fear, for a moment,
That I'd leave you there?

Just when you think the story's over,
You know my love is strong as ever
'Cause I'm gonna bleed for this love
Yes I'm gonna bleed for this love

Oh, Oh, Oh, Oh,
Oh, Oh, Oh, Oh,
Oh, Woah oh

And to pay your debt, I'll be the ransom
Then to bring you life, I'll give it all,
I'll give it all

Just when you think the story's over,
You know my love is strong as ever
'Cause I'm gonna bleed for this love
Yes I'm gonna bleed for this love

For this love, gonna bleed for this love
Yes I'm gonna bleed for this love
For this love

I'm gonna bleed for this love, oh
For this love, gonna bleed for this love
For this love, for this love
