

Protest To Praise

Downhere

I knew the times would come and now the times have landed
With stinging abrasion As ready as I seem to be
Its never like I planned it, yeah

Pre-Chorus

Im wrestling my thoughts Im overcome
Would you give me up Im asking Lord
There's no where I sense Your presence here
So I will cry out, until I go

Chorus

From Protest to praise
Youre always amazing me
Youre changing me slow, but surely
And you're gonna see me to the end
How long will I be forgotten by You forever
Youre not making sense here
Seems like eternity has made a home between us, yeah

Pre-Chorus/Chorus (2X)

Youre changing me slow
I just can't help but see it that way
Cuz you're gonna see me to the end
