

## Protest To Praise

Downhere

I knew the times would come and now the times have landed  
With stinging abrasion As ready as I seem to be  
Its never like I planned it, yeah

Pre-Chorus

Im wrestling my thoughts Im overcome  
Would you give me up Im asking Lord  
There's no where I sense Your presence here  
So I will cry out, until I go

Chorus

From Protest to praise  
Youre always amazing me  
Youre changing me slow, but surely  
And you're gonna see me to the end  
How long will I be forgotten by You forever  
Youre not making sense here  
Seems like eternity has made a home between us, yeah

Pre-Chorus/Chorus (2X)

Youre changing me slow  
I just can't help but see it that way  
Cuz you're gonna see me to the end
