

Keep On Breathing

Downset

Ya best come correct! Step correct! 818 on the map psychological
trap.

Step to a fool and I'll bet he's got a gat,
Paranoia principle has got us strippin' so,
three dot lifestyle has got us running hell of miles,
It's all that we know, it's all that we do, seen and done.

So many homicides we thinking it's right fool,
My brothers down to slay me daily cyco sickness within us - dam
n it's getting rough.

I will survive! I will survive y'all! I must survive! Life on t
he line I said keep on breathing!

'Ya Best come correct! What's up dog?

Don't numb yourself because this is a hell, Wicked one!

Wicked one out for self, Not only in L.A., but it's jumping off
worldwide.

From L.A. to Belfast to genocide at "wayside."

And if killing my brother means survival then I'll take this bu
llet with all of the love of my soul.

You can call me a punk but I ain't givin' up. Solid givin' my l
ife see!

Whatever the cost may be? Juice, Coke, Yeska, Heroin, Doses,
making fools-snap now I got to live around that!

I will survive! I will survive y'all! I must survive!

Life on the line I said keep on breathing!

The worst kind of man kills his brother! God help us!
