

# Blessing In Disguise

Downstait

Fear decays and separates into oblivion  
While shades of grey, they fade away  
I feel alive, alive for the first time

You, you have to realize  
Sometimes the pain is just a blessing in disguise  
You, you have to realize  
Sometimes the pain is just a blessing in disguise

I'm blinded by the darkness  
Black like obsidian (black like obsidian)  
But the hands are seizing, all i can see is the glow again... o  
f life

You, you have to realize  
Sometimes the pain is just a blessing in disguise  
You, you have to realize  
Sometimes the pain is just a blessing in disguise

Hold on (hold on)  
Hold on (hold on)  
You can never see the future if your hope is all gone  
Hold on..

You, you have to realize  
Sometimes the pain is just a blessing in disguise  
You, you have to realize  
Sometimes the pain is just a blessing in disguise
