

Love Is All I Have

Downstait

Do, do, do you know how much love I've shown?
And now I'm feeling, I just can't let you go
Sweet like apple pie, now that you are mine
There'll be no leaving, you'll come back to me
Come back to me (come back)
Come back to me (come back)

Love is all I, love is all I have
Love is all I, love is all I have
I need you baby
Really need you bad
I need you baby
Yeah!

It's okay to cry, thought that I might die
But now you're laying, laying next to me
Now I only see where I wanna be
And it is in you, now you're loving me
You're loving me (your love)
You're loving me (your love)

Love is all I, love is all I have
Love is all I, love is all I have
I need you baby
Really need you bad
I need you baby
Yeah!

Do, do, do you know how much love I've shown?
And now I'm feeling, I just can't let you go

Love is all I, love is all I have
Love is all I, love is all I have
Love is all I, love is all I have
Love is all I, love is all I have

Love is all I, love is all I have
Love is all I, love is all I have
I need you baby
Really need you bad
