

You'll need eyes in the back of your head
If you think that you can play me like a record now
Trust was issued and broken by your hands
The rope gets tighter around your neck everyday

There's no way you can ever
Make it up to all your friends
But now you have to pay the price
You're just a waste of time
You stabbed me in the back
You're always out of line
It's all so senseless

You tried to catch me in your vicious cycle
Bite the bullet and admit that you were wrong
Shame on those who can't accept the facts of life
Take a bow, applaud yourself you stupid fuck

There's no way you can ever
Make it up to all your friends
But now you have to pay the price
You're just a waste of time
You stabbed me in the back
You're always out of line
It's all so senseless

GET AWAY FROM ME!!!..
I DON'T NEED YOU!!!..
FUCK YOU!!!..

There's no way you can ever
Make it up to all your friends
But now you have to pay the price
You're just a waste of time
You stabbed me in the back
You're always out of line
It's all so senseless
You're just a waste of time
You stabbed me in the back
You're always out of line
It's all so senseless
