

# Take It To The Line

Downstait

Walking away from all I care  
Under the sun and fleeting air  
I couldn't say what hurt me more  
The slap in the face or the slamming door

I'll never give up again  
I need to be stronger  
On and on, it's never been easy  
Got no one to blame and nothing feels the same

TAKE IT TO THE LINE!!  
All the way, I WILL!!  
TAKE IT TO THE LINE!!  
All the way, I WILL!!  
TAKE IT TO THE LINE!!  
You and I, YOU WILL!!  
TAKE IT TO THE LINE!!  
'Till I die, YOU WILL!!

Time disappears and I am done  
Hoping my day will somehow come  
Withering thoughts I can't forget  
All of the things that I regret

I'll never give up again  
I need to be stronger  
On and on, it's never been easy  
Got no one to blame and nothing feels the same

TAKE IT TO THE LINE!!  
All the way, I WILL!!  
TAKE IT TO THE LINE!!  
All the way, I WILL!!  
TAKE IT TO THE LINE!!  
You and I, YOU WILL!!  
TAKE IT TO THE LINE!!  
'Till I die, YOU WILL!!

LISTEN, LISTEN TO ME!!  
CAUSE I WILL NEVER EVER LET THIS SLIP AWAY!!  
This means everything to me and I won't ever turn away

TAKE IT TO THE LINE!!  
All the way, I WILL!!  
TAKE IT TO THE LINE!!  
All the way, I WILL!!  
TAKE IT TO THE LINE!!  
You and I, YOU WILL!!  
TAKE IT TO THE LINE!!  
'Till I die, YOU WILL!!  
TAKE IT TO THE LINE!!  
All the way, I WILL!!  
TAKE IT TO THE LINE!!  
All the way, I WILL!!  
TAKE IT TO THE LINE!!  
You and I, YOU WILL!!  
TAKE IT TO THE LINE!!

'Till I die, YOU WILL!!
