Let's murder the fattest one here. I'll drink like a gentleman, sir.

We'll party all night, But by daylight, we are gone. We. Are. Gone.

Your heart is the second course. [x7-8]

Now I see you, At the hospital. With your neck open wide, I hope the doctor forgets you.

Now I see you, At the hospital. With your neck open wide, I hope the doctor forgets everything that he knows.
