

Beer Pong Massacre

Dr. Acula

oh, it all comes down to this?
ten and ten; i'll double-block it, bounce it up. (show
you up)
we're gonna show you up.
we're gonna drink your beer.
we're gonna take your girls.
we're gonna make you cry.

ay-yo, let me get a re-rack 'cause your shit's whack.
bounce-shot, two cups; bring that shit back.
ten cups of glory, one cup of sink; put that ball up,
make that bitch drink.

fucking drink.
tonight we'll get drunk.

we are the victorious; one, two, three, yeah.
come to clean up the mess you've made.
next?
