

## Beer Pong Massacre

Dr. Acula

oh, it all comes down to this?  
ten and ten; i'll double-block it, bounce it up. (show  
you up)

we're gonna show you up.  
we're gonna drink your beer.  
we're gonna take your girls.  
we're gonna make you cry.

ay-yo, let me get a re-rack 'cause your shit's whack.  
bounce-shot, two cups; bring that shit back.  
ten cups of glory, one cup of sink; put that ball up,  
make that bitch drink.

fucking drink.  
tonight we'll get drunk.

we are the victorious; one, two, three, yeah.  
come to clean up the mess you've made.  
next?
