Dr. Acula

Now's the time to forget life and grab it by the horns. So take
a swig, make it
big, its time get to get reborn. It's time to get with the prog
ram. Make
yourself a mess while trying to impress. Make yourself a mess a
nd take another
shot. The time has come to put yourself to the test and keep in
mind that you
are up against the best. SO GET READY! I can make myself a mess
, I do it
everywhere all across the fucking earth and we don't fucking ca
re. I can make
myself a mess, I do it everywhere all across the fucking earth
and we don't
fucking care. We are all a brand new breed. We got no money but
that's not what
we need. This is a celebration and we are all a mess; a drunk n
ation.
Everything is better once you accept that you can't win, that y
ou can't win,
Pick it up and chug, it's how we get down. We came here to fuck
everybody up.
