

Away From Home

Dr. Alban

This little girl is a country girl
Left her home and go to New York
Come to New York with one dollar
Ask how many million people in a New York
This little girl went to a session
In a session say she meet a little boy

This little girl is a country girl
(Away away from home)
Left her home and go a New York
(Away away from home)
This little girl is a country girl
(From home away from home)
(From home away from home)

She went out with this little boy
This little boy couldn't show her anywhere
Life in big cities are difficult
She had to work all day to make a living
Colour people please stay where you are
Life in big cities are difficult

This little girl is a country girl
(Away away from home)
Left her home and go a New York
(Away away from home)
This little girl is a country girl
(From home away from home)
(From home away from home)

This little girl is a country girl
Left her home and go to New York
Come to New York with one dollar
Ask how many million people in a New York
This little girl is a country girl
(Away away from home)
Left her home and go a Ny
(Away away from home)
This little girl is a country girl
(From home away from home)
(From home away from home)
