

## Enemies

Dr. Alban

Enemy's gathering rumours  
(gathering rumours, gathering rumours)  
Ignorant spread them  
Fools accept them without confirmation  
Hey, you'd better surrender

Stop spreading these rumours, oh  
Enemy's gathering rumours, oh yeah  
Enemies are gathering rumour ignorant spread  
Enemies are gathering rumour ignorant spread  
Fools take it and accept it. Fools take it and accept it  
Pam pam

We are tired of hearing rumours  
Please give up, don't tell no lies  
Enemies are gathering rumourï¿½

If you're my enemy you'd better surrender  
If you're my enemy hey, you'd better surrender
