Hello Afrika

Yo! My name is Dr. Alban, the MD, microphone doctor This song is dedicated to the people of Africa Swe Mix gimme some drums Yo! African people, unite Come together for the sake of your future Yo! African people unite

Hello Africa! Tell me how you're doin' Hello Motherland! Tell me how you're doin' Hello Africa! Tell me how you're doin' Hello Motherland! Tell me how you're doin' Hello Motherland! Tell me how you're doin' Hello Africa! Tell me how you're doin' Hello Motherland! Tell me how you're doin'

Hello Nigeria! That's my Motherland Coming to Sweden now causin' a hysteria Takes a long time to travel the globe, so why be shy? Why be humble? I just came straight out the jungle You can't compete with me 'cause you know I got the rhythm

I did it before and I'll do it again, so listen watcha say Yeah hear my point of view Not everyone can do this In fact only a few sophisticated, hardcreated That's who I am, and you knowI've been waiting So start pumping make some noise

The Mandika tribe, the Hausa tribe The Fulani tribe, the Gooya tribe, the Zulu tribe Mi no live in a house mi live in a tree Electricity can give you a shock Mi no smoke no cig mi no take no coke All me take is a glass of juice

Hello Africa! Tell me how you're doin' Hello Motherland! Tell me how you're doin' Hello Africa! Tell me how you're doin' Hello Motherland! Tell me how you're doin'

I'm calling on the big guys from the pyramid top To join the bits and pieces of our Fatherland Africa 'Cause without boundaries we can move the mountains Drop your personal individual ambitions Chase the devil off and purify our Fatherland

Afrikan people, crawl from your vultures Stand affirm 'cause you are the aura of the mankind You are the dreams, you are the hope, you are the future You are the past, you are the grandfather of civilization That is why A N C wants old dogs to sit

The impossible just takes a little longer Out of this world and inta another world The earth is spinning round and there's so much to discover The African man seems to be everywhere

Dr. Alban

If there are people in the world Who knows that right is never wrong Stop the fire burning in my home Africa

Martin Luther King, Mandela you had a dream Self evidence and a quality for men Africa for me and Africa far you de Klerk It doesn't really matter whether a cat is black or white What really matter is to catch the mouse I'd rather do it in an African way Hello Africa tell me you you're doin'

Mmm, jumping on the mike, it 'cause me a rockin' up affection When I'm holdin' me a mike, it 'cause me awesome affections What you say to me, me a fun and me warm Spend some me a time on the Tresittia dime Don't you try to follow me you ought to realize what me are What me a really want, me not fly No I am just coolin', come on now just set it off

Hello Africa! Tell me how you're doin' Hello Motherland! Tell me how you're doin' Hello Africa! Tell me how you're doin' Hello Motherland! Tell me how you're doin'

I have been mourning, I have been grieving I have been crying, no more tears in my eyes There's a hottie, hottie wind blowing south to north Following my head, drying all my plants If there's a mercy in the clouds You know right is never wrong

Move the sadist off my back And stop the fire burning in my home Africa Here comes the news from the mighty Lord Transqualation is about to come to Earth Right, rapping is digging down river, north to south To let milk and honey flow side to side

My name is Alban, mi is a dentist, mi DJ here, mi DJ there Mi have a shop on Slojdgatan, Alphabet St. is da name Mi live in no house, mi live in a flat. electricity can give you a shock Mi smoke no cig, mi take no coke, all me takes is a glass of juice

Hello Africa! Tell me how you're doin' Hello Motherland! Tell me how you're doin' Hello Africa! Tell me how you're doin' Hello Motherland! Tell me how you're doin'
