

# Roll Down Di Rubber Man

Dr. Alban

Roll down di rubber, man. Roll it down  
Safe sex = safe life  
Roll down di rubber, man. Roll it down  
Safe sex = safe life

Check you sex life, AIDS a come  
Take a little slow use condom  
You can avoid it by not conterminating  
Deep kisses should avoided  
(If not serious relations)  
This disease is a killer you know  
The only cure is prevention - so..

Roll down di rubber, man. Roll it down  
Safe sex = safe life  
Roll down di rubber, man. Roll it down  
Safe sex = safe life

HIV manifests  
It breaks down the bodys immunological system  
Subjects it to infections of different characters  
AIDS might develope in a couple of years  
Due to the breakdown of the helper - cells  
The defence mechanism is out of sight  
Yet there is no vaccination today  
The only cure is prevention, so...

Roll down di rubber, man. Roll it down  
Safe sex = safe life  
Roll down di rubber, man. Roll it down  
Safe sex = safe life

Safe sex is the talk of all time  
But we can't live today without sex  
You can sex as much as you can  
But use condom and save your life  
Think before you do it and don't do it before you think  
Prevention is better than cure  
Don't be selfish and egoistic  
Take care and just hold tight, so....

Roll down di rubber, man. Roll it down  
Safe sex = safe life  
Roll down di rubber, man. Roll it down  
Safe sex = safe life
