

So Long

Dr. Alban

Mi o my I am sleeping on the bed of life
Mi o my I am dreaming of my love all night
Step it up step it up to where I wanna be
Ever since I met you
I've been looking at the sky
I'm going up, going up, going up

So long, so long
So long, so long
I've been waiting so long for this
So long
So long, so long
I've been waiting so long for this

Girl you know I've been waiting for you so long
Since that time you left me
You know I'm yours
Mi o my I am leaving and I feel so free
Step it up
Step it up to where I wanna be
Ever since I met you
I've been looking at the sky
I'm going up, going up, going up

Mi o my I am sleeping on the bed of life
I'm going up, going up, going up
