

## So Long

Dr. Alban

Mi o my I am sleeping on the bed of life  
Mi o my I am dreaming of my love all night  
Step it up step it up to where I wanna be  
Ever since I met you  
I've been looking at the sky  
I'm going up, going up, going up

So long, so long  
So long, so long  
I've been waiting so long for this  
So long  
So long, so long  
I've been waiting so long for this

Girl you know I've been waiting for you so long  
Since that time you left me  
You know I'm yours  
Mi o my I am leaving and I feel so free  
Step it up  
Step it up to where I wanna be  
Ever since I met you  
I've been looking at the sky  
I'm going up, going up, going up

Mi o my I am sleeping on the bed of life  
I'm going up, going up, going up
