

## Later

Dr. Dog

I've got a job  
I've got to move this paper  
I guess it's all the same to you  
But I can't sit around and wait  
Can't Sit around and wait for you.

It never works  
You say you'll call me later  
And then you never ever do.  
I can't sit around and wait  
Can't Sit around and wait for you.  
Just another cup of coffee,  
I'll sit around and wait for you.

I always knew  
Yeah, I always knew  
You were a liar.  
I'm not a king, I'm not a cop.  
I'm not here to punish you.  
When I really can't see anymore of what the fuss is all about

It's not my career  
To wait and do you favors  
I guess it's really nothing do

When I'm running late  
You call the undertaker  
Because you've got so much shit to do  
I can't sit around and wait  
Can't sit around and wait for you.  
Just one more cigarette,  
I'll sit around and wait for you.

I always knew  
Yeah, I always knew  
You were a liar.  
I'm not a king, I'm not a cop.  
I'm not here to punish you.  
When I really can't see anymore of what the fuss is all about

Just another cup of coffee,  
I'll sit around and wait for you.  
Just one more cigarette,  
I'll sit around and wait for you.  
I guess I really will  
I'll sit around and wait for you.
