

## Someday

Dr. Dog

There's a tree  
Outside my home  
The sidewalks cracked  
out where it's roots have grown

Someday came  
and then left me alone.  
I should've known back then  
That I stayed too long

I should've known better  
I should've known better  
I should've known better  
I should've known better  
But I don't believe I can.

If my feet  
Could carve stone  
They'd mark a monument  
that is never wrong

I was a man  
I turned to bone  
I never moved and now my  
My will is gone

I should've known better  
I should've known better  
I should've known better  
I should've known better  
But I don't believe  
No I don't believe  
I don't believe I can
