Why you motherfuckin brothers' hard to find  
He be walkin on the streets and fuckin with mine  
Stupid punk can't fuck with a mastermind  
See I never take a step on a Compton block  
or LA without the AK ready to pop  
Cos them punk motherfuckers in black and white  
Ain't the only motherfuckers I gots to fight  
I thinks it's better to be retellin the facts than cuffed up  
and jacked and fucked up  
What you niggas lookin at? You goin  
goddamn! Cos it's the city  
and for you to survive a nigga gotta be a gangsta  
And I'm a nigga you can't remove  
Took out a lot of motherfuckers for tryin to prove  
To their homies that they can hang by dealin with me  
But once again in the end they D-E-A-D  
I never did time on a murder yet  
Cos I relax and back, do a job and jet  
Yo I know you understand my flow  
So here we go with Death Row  
Come let a motherfucker know

Who is the man with the masterplan?

Who is the man with the masterplan?  
A nigga witta motherfuckin gun

D-R-E  
A motherfucker who's known for carryin gats  
and kick raps that make snaps  
Adapts to anything violent that I'm located at  
If you see me on the solo moves best believe that I'm strapped  
4-4, .tre-8 or AK-47  
Cos slowly but surely send you on a stairway to heaven  
Just put my finger on the trigger and pull back  
and lay a punk motherfucker flat  
As he wonder what popped before he got popped  
I told you I was Dre and you know it don't stop  
Now I know you understand my flow  
So here we go with Death Row  
Come let a motherfucker know

That'll make you drop to your knees cos you realise  
that a gat will make any nigga civilised  
Old buster ass nigga talkin bullshit  
Don't know that I'm the wrong nigga to fuck with  
Get lit or hit up by the doctor  
A nigga that breaks em off proper-ly  
Real G so doubt it  
I'm the one who's doin it while these other niggas talk about it  
And if motherfuckers come at me wrong  
I straight put my .44 Desert Eagle to his motherfuckin dome  
And show him why they call me the notorious one  
The name's Dre Eastwood when I'm packin a gun  
You don't believe me, well step up and give it a try  
And if you die youse a buster cos real niggas don't die  
But some still don't hear me though  
You're too near me not to hear me, nigga yo
