Guess who's back, it ain't a fuckin' question They know the name, bow in the presence of a living legend Fuck what you heard it's murda, murda, you gon' need protection Some niggas blinded, couldn't see, so look for me to come and give direction Who hold the crown, it ain't no conversation unless you payin' homage, remain the hottest Niggas can't stop us, that's just being honest And makin' hits, I never had problems munchin' at the apartment Don't get me started, don't compare me to the newest, nigga For everyone of you, there's a hundred more and I watch them comin' home My track record ain't coincidental And these verses is like hearses consistently killin' all with instrumentals Tell me, fuck what would ya'll do without me?! Kill yourself or even think of something crazy 'bout me I'm like I leave your fuckin' champ, now watch me rope a dope Just watch him choke, cause everythin' I drop is dope Now watch 'em all go up in smoke

I came here to raise hell, I can't lie
One shot, one kill, it's real, I ain't hidin'
You won't shoot one shot if you ain't ready to die
And never get it fucked up, I got shooters for hire
Cause you don't want it, I have you like aye aye
Better back the fuck up, over guns so I try
Now that weak shit will never slide, I despise
You are now not in the presence of nice guys

Look, what the fuck, I was just chillin' in the cut And no beginners, only winners run amok, you runners up You funny fuck like twenty bucks, I know your slut will let me fuck I told my city "Hold me down", now look how high they hold me up I'm Kobe clutch, I hold my nuts till I was old enough to cuss Was kissin' bitches after lunch, now that's a muthafuckin' rush Still in highschool, I was fuckin' niggas bitches on the hush So no questions, it's no panties in a muthafuckin' must It's the peoples rapper, I ain't no rapper I'm the rapture on the mornin' after You lackin' passion, you ain't bad, you just a wack distraction I can't relax cause I feel the magic smashin', Tony Braxton Where your sisters at? Let's get it crackin' Look, I was young, I was broke Had no hope, so I wrote, that's how I cope I went hard with no results New approach, same truth Just get ready, aim, shoot, then get bing, bang, woof So they better bring troops because...

I'm tryna hurt 'em, baby
I know you heard me, baby
Feel like I'm goin' crazy
It's fuckin' murder, baby
Run, run, run, the cops almost got me
Another tear drop, another fuckin' body
Uh, uh, uh, another fuckin' body
Uh, uh, uh, another body
