

# Sexy Dance

Dr. Dre

Would you like a table dance?

Ah...ah...ah...ah

With your tongue, what you did with your tongue  
That made me go arising, uh arising yeah  
In my memory when you make it up to me  
When you were kind of surprising  
When you were kind of surprising baby  
Yes you were

Now with the best from the West, check the sound It's from the R&B underground

And it's just like the muff  
You know that we can't get enough  
So come and take a ride with me yeah  
Come and take a ride with me  
You're riding with me

Ride with me, come with me  
Baby come give, do that sexy dance for me  
Let yourself go and get nasty  
Lady that sexy dance for me  
Let yourself go and get nasty

You've got me open baby oh  
Cause I'm the mastermind  
You know you're looking lovely lady yeah  
I wish I could get some of your time  
I know that you're the one, you're the one  
So do me right  
Let's get busy my love  
And let me see you dance tonight

Let yourself go and get nasty  
Lady that sexy dance for me  
Let yourself go and get nasty  
Lady that sexy dance for me  
Let yourself go and get nasty  
Lady that sexy dance for me  
Let yourself go and get nasty

Bulging eyes from what I see in my sight  
She winding and grinding it  
And the body was so tight yeah  
There's no fessing, no wishing  
I was on a mission to get what I want  
Now truthfully I said after the party  
Oh Lord got me telling stories like loddy dotty  
And now I realize  
That I must have been hypnotized  
By your world true silky thighs  
And now lady why don't you sexy dance for me
