

Baby Jump

Dr. Feelgood

She wears those micro mini dresses
Hair hanging down her back
She wears those see through sweaters
She likes to wear her stockings black
And if I see her tonight
You bet your life I'll attack
"Baby, baby, baby what you doin' to me?"
I said, "Baby, baby, baby what you doin' to me?"
I said, "Baby, baby, baby jump into my dream"
She got beautiful teeth
A toothpaste adman's dream
She got a beautiful form
The best I've ever seen
I'm gonna get her tonight
I don't care where she been
I said, "Baby, baby, baby what you doin' to me?"
I said, "Baby, baby, baby what you doin' to me?"
I said, "Baby, baby, baby jump into my dream"
I said, "Baby, baby, baby what you doin' to me?"
I said, "Baby, baby, baby what you doin' to me?"
I said, "Baby, baby, baby jump into my dream"
She wears those micro mini dresses
Hair hanging down her back
She wears those see through sweaters
She likes to wear her stockings black
And if I see her tonight
You bet your life I'll attack
I said, "Baby, baby, baby what you doin' to me?"
I said, "Baby, baby, baby what you doin' to me?"
I said, "Baby, baby, baby jump into my dream"
I said, "Baby, baby, baby what you doin' to me?"
I said, "Baby, baby, baby what you doin' to me?"
I said, "Baby, baby, baby jump into my dream"
