

Date Bait

Dr. Feelgood

I wake up every morning with a vacant smile
Grab the telephone and call my honey child
She's date bait
Mine, all mine, all mine
She's sweeter than any grape that ever grew on a vine

Out of all the girls around here baby, you're my choice
I get the heebie jeebies when I hear your voice
You're date bait
Mine, all mine, all mine
You're sweeter than any grape that ever grew on a vine

Well, mama's got the bucket, papa's got the top
Baby's in the cradle, saying "say it on to pop"
She's date bait
Mine, all mine, all mine
Sweeter than any grape that ever grew on a vine

She's got eyes like diamonds and teeth like pearls
Lay off boys, 'cos she's my girl
She's date bait
Mine, all mine, all mine
She's sweeter than any grape that ever grew on a vine
Oooh yeah

Out of all the girls around here baby, you're my choice
I get the heebie jeebies when I hear your voice
You're date bait
Mine, all mine, all mine
You're sweeter than any grape that ever grew on a vine

You're date bait
Date bait
Date bait
You're date bait
Date bait
Date bait

Date bait
Date bait
Ooh date bait
You're date bait
Date bait
