

# I Don't Worry About A Thing

Dr. Feelgood

If this life is driving you to drink  
You're sitting around wondering just what to think  
Well I got some consolation  
I'll give it to you if I might

I don't worry about a thing  
I know nothing's gonna be alright

You know this world's just one big trouble spot  
Some have and some have not  
You know, I used to be troubled but  
I finally saw the light

I don't worry about a thing  
I know nothing's gonna be alright

Don't waste your time trying to be a go-getter  
Things will get worse before they get any better  
You know there's always somebody playing with dynamite  
I don't worry about a thing  
I know nothing's gonna be alright

I don't worry about a thing  
I know nothing's gonna be alright
