

# Make Love To You

Dr. Feelgood

How could I explain  
This feeling that's true  
Honey I can hardly stand it  
I wanna make love to you

When the stars fall from the heavens  
And the rivers have stopped to flow  
If you just stop and talk to me  
Honey that's when I know

I ain't gonna try and tell ya  
How it's made me so blue  
Sitting alone and wondering  
I wanna make love to you

Please stop and tell me  
Tell me you want me too  
Oh come on baby  
I wanna make love to you

I wanna make love to you  
I wanna make love to you  
I wanna make love to you  
I wanna make love to you

When the stars fall from the heavens  
And the rivers have stopped to flow  
If you just stop and talk to me  
Honey that's when I'd know

I wanna make love to you  
I wanna make love to you  
I wanna make love to you  
I wanna make love to you

I wanna make love to you  
Uh come on baby  
I wanna make love to you  
I wanna make love to you  
I can't stand it baby  
Make love to you  
I wanna make love to you  
Uh talk to me  
I wanna make love to you
