

Roxette

Dr. Feelgood

I saw you out the other night
I saw somebody hold you tight
Roxette, I wonder who it could be
It was so dark I couldn't see
But I know it wasn't me
When I tell you it ain't right
I know you've got to agree

I followed you into a show
The band was playing rock'n'roll
Roxette, I didn't need to seek you out
The music played so loud
That I could hear you through the crowd
You was telling everyone
About a new guy you'd found

Roxette I gotta go away
And leave you for a couple of days
Roxette, I don't want no more of your tricks
I'm gonna get some concrete mix
And fill your back door up with bricks
And you better be there waiting
When I get my business fixed
