

That's It, I Quit

Dr. Feelgood

We used have our time together.
We used to party with each other.
Now you stall when I call.
Don't want to know when I say go.

And when I see you on the street
Listen to me little creep,that's it, I quit.
You used to look just like a queen,
Kinda soft, kinda mean.

Now you just look dirty.
Say youâ??re twenty but youâ??re thirty.
Wearing a diamond ring
Where did you get that thing,.....thatâ??s it, I quit.

When I call you at home
At your personal phonenumber.
Don't get in a rage when I hear its engaged.
I just want to know who you are lying under,

It's a rap...
Don't want to see you anymore.
Ain't gonna walk in any trap.
Like I told you once before.

You think you're so flash,
The way you get your cash,... that's it, I quit.

When I call you at home,
At your personal phone... number.
Don't get in a rage when I hear its engaged.
I just want to know who your are lying under,

It's a rap...
Don't want to see you anymore.
Ain't gonna walk in any trap.
Like I told you once before.

You think you're so flash,
The way you get you cash,... that's it, I quit.
You think you're so flash,
The way you get you cash,... that's it, I quit.
