

Who Do You Love

Dr. Feelgood

I walked forty-seven miles of barbed wire
Got cobra snake for a neck tie
Got a brand new house on the roadside
Made from rattlesnake hide(?)
Got a brand new chimney made on top
Made out of a human skull
Well come on, take a little walk with me baby
Tell me, who do you love?

Who do you love?
Who do you love?
Who do you love?
Who do you love?
Who do you love?

Tombstone hand and a graveyard mind
Just twenty-two and I don't mind dying

Who do you love?
Who do you love?
Who do you love?
Who do you love?

I rode around the town, use a rattlesnake whip
Take it easy, baby, don't give me no lip

Who do you love?
Who do you love?
Who do you love?
Who do you love?

When the night was black and the sky was blue
Down the alley an iceman(?) flew
Hill up, home(?), someone screamed
You should've heard just what I've seen

Who do you love?
Who do you love?
Who do you love?
Who do you love?

Well Arlene took me by my hand
She said "Uh, you boy, you know I understand"
She said

Who do you love?
Who do you love?
Who do you love?
Who do you love?
