

## World Keeps Turning

Dr. Feelgood

I don't look for no worries  
Worries and troubles come around  
I don't look for no worries  
Worries and troubles come around  
World keep on turning  
Got to keep my feet on the ground

Nobody saw me crying  
Nobody knows the way i feel  
Nobody saw me crying  
Nobody knows the way i feel  
The way i loved that woman  
It's bound to get me killed

Love the little girl so good  
Make my low down body come  
Love the little girl so good  
Make my low down body come  
I need that woman so bad  
I need her like the sky need the sun
