World Keeps Turning

I don't look for no worries Worries and troubles come around I don't look for no worries Worries and troubles come around World keep on turning Got to keep my feet on the ground

Nobody saw me crying Nobody knows the way i feel Nobody saw me crying Nobody knows the way i feel The way i loved that woman It's bound to get me killed

Love the little girl so good Make my low down body come Love the little girl so good Make my low down body come I need that woman so bad I need her like the sky need the sun **Dr. Feelgood**
