

# You'll Be Mine

Dr. Feelgood

You're so sweet you're so fine  
How I wish you was mine  
Honey I need your love

You'll be mine  
You'll be mine  
You'll be mine  
You're so nice

You're so cruel  
I'm so bad  
I love you  
Honey I need your love

You'll be mine  
You'll be mine  
You'll be mine

Tell me pretty baby  
All you're gonna try  
If you say it baby  
Hang on baby till the day that I'll die

That is true  
I love you  
I don't care what you do  
Honey I need your love

You'll be mine  
You'll be mine  
You'll be mine

Tell me pretty baby  
All you're gonna try  
If you say it baby  
Hang on baby till

The day I'll die, that is true  
I love you  
I don't care what you do  
Honey I need your love

You'll be mine  
You'll be mine  
You'll be mine
