

## A Couple More Years

Dr. Hook

I've got a couple more years on you babe, and that's all  
I've had more chances to fly and more places to fall  
And it ain't that I'm wiser  
It's only that I'm spent more time with my back to the wall  
And I've picked up a couple more years on you baby, that's all

I've walked a couple more roads than you babe, that's all  
And I'm tired of running while you're only learning to crawl  
And you're heading somewhere  
But I've been to somewhere and found it was nowhere at all  
And I've picked up a couple more years on you baby, that's all

Now saying goodbye, girl, don't never come easy at all  
But you've gotta fly cos you're hearing them young eagles call  
And some day when you're older  
You'll smile at a man strong and tall  
And you'll say I've got a couple more years on you baby, that's  
all

You'll say I've got a couple more years on you baby, that's all  
I've had more chances to fly and more places to fall  
And it ain't that I'm wiser  
It's only that I'm spent more time with my back to the wall  
And I've picked up a couple more years on you baby, and that's  
all
