

Baby Makes Her Blue Jeans Talk

Dr. Hook

Night falls on the city,
baby feels the beat
Slick and sexy angel
of the street .
The queen of all the night birds
watch her when she walks .
She don't say nothing
but baby makes her blue jeans talk

Baby makes her blue jeans,
yes she makes her blue jeans talk
Baby makes her blue jeans,
yes she makes her blue jeans talk
You know what she's thinking about
and it turns you inside out
She don't say nothing but
baby makes her blue jeans talk

Night time in the city
magic in the air
The action starts at midnight
she'll be there .
The queen of all the night birds
a player in the dark
She don't say nothing
but baby makes her blue jeans talk

Baby makes her blue jeans,
yes she makes her blue jeans talk
Baby makes her blue jeans,
yes she makes her blue jeans talk
You know what she's thinking about
and it turns you inside out
She don't say nothing
but baby makes her blue jeans talk

Baby makes her blue jeans,
yes she makes her blue jeans talk
Baby makes her blue jeans,
yes she makes her blue jeans talk
You know what she's thinking about
and it turns you inside out
She don't say nothing but,
baby makes her blue jeans talk

She don't say nothing
but baby makes her blue jeans talk
She won't say nothing
She don't say nothing
