## **Oh! Jesse**

Oh Jesse, why have you come I thought you would be kind enough to let me cry alone Just now as I've learned to live without your love You walked back into my life again

Oh let it die, oh Jesse, please let it be Do not come and take my pride from me Have I not lost enough, is that why you came Not again Jesse, I cannot bear the pain

I suppose you've come to play a game Come to deal the cards in a game I cannot win But no matter how they fall the hearts are always in your hand And I am forced to fold once again

Oh let it die, oh Jesse, please let it be Do not come and take my pride from me Have I not lost enough, is that why you came Not again Jesse, I cannot bear the pain
