Penicillin Penny

Dr. Hook

Penicillin Penny she's the queen of the sunset strip If she ever gives you any then you better see your doctor real quick From the back seat of Cadillac cars, to the floor of men's room bars She's Penicillin Penny and her future's written in the stars She's Penicillin Penny and ever since the day she came and came They say she's had so many, she gives 'em all numbers not names I always call her Hun' but she calls me 1001 And Penicillin Penny starts to boogie when the day is done She's Penicillin Penny and if you ever see her passin' through Better run into your house before she stops and lays a little o n you If you ever let her in your door it takes 20 million units Or more to cure the love that Penicillin Penny's gonna lay on y ou
