

Sleeping Late

Sleeping Late Do-Do-Do-Do-Do-Doooo
Sleeping Late Do-Do-Do-Do-Do-Doooo
Whenever I sleep late
you know I can dream
some of the strangest things
that you've ever seen .
I could never tell you
the things that I do
in my head
leaving nothing unsaid
Sleeping late in my bed .
Sleeping Late Do-Do-Do-Do-Do-Doooo
Sleeping Late Do-Do-Do-Do-Do-Doooo
Sometimes I'm embarrassed
by devious thoughts
when I'm undercover
let me never get caught
Crazy notions begin
with that old Devil grin
on my face
it's such a disgrace
me and my pillow case .
Sleeping Late Do-Do-Do-Do-Do-Doooo
Sleeping Late Do-Do-Do-Do-Do-Doooo
The blissful state
of sleeping late
has been known
to compensate
and sometimes
even stimulate
I for one appreciate
Sleeping Late .
Sleeping Late Do-Do-Do-Do-Do-Doooo
Sleeping Late Do-Do-Do-Do-Do-Doooo
Alive and in colour
my wildest of dreams
the best ones are re-runs
if you know what I mean .
I don't believe I can wait
for that clock to stop ringing
in my ear
It's so lovely here
I may sleep for a year
