

Big Chief

Dr. John

Me got fire, can't put it out
If I was gonna make you shout
I'm goin' down to get my squaw
We're gonna buy a great big car
Me big chief, me feelin' good
Me gonna do everything me could

Me big chief me got 'em tnbe
Me gonna take 'em for a ride
My flag boy just went by
My flag boy is full of fire
My whole tribe is having fun
We gonna dance 'til morning come

Me big chief, me got my band
Girls in wild rags, near Tremayne
Me big chief, me got my food
Drink Firewater, gonna get me blue
Me big chief, me feelin' good
Me gonna do everything me could
Find a levee and burn it down
