

Right Place, Wrong Time

Dr. John

I been in the right place
But it must have been the wrong time
I'd of said the right thing
But I must have used the wrong line
I been in the right trip
But I must have used the wrong car
My head was in a bad place
And I'm wondering what it's good for

I been the right place
But it must have been the wrong time
My head was in a place
But I'm having such a good time
I been running trying to get hung up in my mind
Got to give myself a little talking to this time

Just need a little brain salad surgery
Got to cure this insecurity
I been in the wrong place
But it must have been the right time
I been in the right place
But it must have been the wrong song
I been in the right vein
But it seems like the wrong arm
I been in the right world
But it seems wrong wrong wrong wrong wrong

Slipping, dodging ,sneaking
Creeping hiding out down the street
See me life shaking with every who I meet
Refried confusion is making itself clear
Wonder which way do I go to get on out of here

I been in the right place
But it must have been the wrong time
I'd have said the right thing
But I must have used the wrong line
I'd a took the right road
But I must have took a wrong turn
Would have made the right move
But I made it at the wrong time
I been on the right road
But I must have used the wrong car
My head was in a good place
And I wonder what it's bad for
