

## Since I Fell For You

Dr. John

You know you  
Darlin' you made me leave my happy home  
You took my love and now you're gone  
Since I fell for you

Love brings so much misery and pain  
Yeah I guess I'll never be the same  
Since I fell for you

Well it's too bad, it is too sad  
Well I'm still in love with you  
But you love me, then you snub me  
But what can I do, I'm still in love with you

I, I guess I'll never see the light  
Yeah I get the blues every night  
Ever since I fell for you, oh baby

You love me, then you snub me  
But I'm still in love with you  
You hurt me then you me  
But what can I do, I'm still in love with you

I, I guess I'll never see the light  
Yeah I get the blues every night  
Ever since I fell for you, baby since I fell for you  
Since I fell for you, oh baby
