You Lie

High brand lion Know is it pride This in fact ..back So long down Oh what sound And my friends Through the end Girl you hear Say this go get em You lie em True sound better In hell Saviors go get em You lie When true sound's better ..evil As your liga ..coming people Bad..chickens grow Swear would see Tired away In hell Saviors go get em You lie When true sound's better In hell Saviors go get em You lie When true sound's better No team ball no chick bout True sound better then what you 'bout [2x] Anywhere in hell Saviors go get em You lie When true sound's better In hell Saviors go get em You lie

When true sound's better
