Please, forgive me
I'm not the man I used to be anymore
Please believe me
I've been running around from town to town
Just to settle my score

How many times can you lose someone How many nights will we write a sad song Years gone

Please receive me
So many years are gone
You don't know me anymore
I relate to you
I know it's
Hard to know someone
Who has changed so much

How many times will we close the door There's nothing left That we had before

Hang on, don't you lose it Write it off That's the way it is Give up you gotta choose it Today or yesterday
