[Styles a.k.a Holiday]
And me with no beef
Is like Brooklyn with no guns

[Swizz Beatz]
Man and me with no beats
Is like Cali with no blunts

[Sheek a.k.a Louch]
First I got head from her
Then I hit her from the back
Then she told me that she hustled
So I hit her with a pack

[Jada a.k.a Kisseastwood]
Yeah, screw how many mics you got
How much ice you got
My bullets'll make you icy-hot

[Styles a.k.a Holiday]
Y'all, all my Niggas killas
We don't talk on the phone
And give a way better message
When we come in your home

[Swizz Beatz]
Yo, catch me Down-South
When I'm pumpin' up things
And my name ain't Rover
Don't jump on my rings

[Sheek a.k.a Louch]
Man, you gotta have your hustle right
When you up in the game

[Jada a.k.a Kisseastwood]

For you firm-aly change

[Styles a.k.a Holiday]
And don't you leave out the house

Without bringer your things

[Swizz Beatz]

From here to the bank

[Sheek a.k.a Louch]
What you greaseball cocksuckers thought it was over
This double are, Nigga, L.O.X.
We are the streets
When the kennels is open the dogs is biting, bitch
Shits real

[Drag-on]
Yo, yo, yo, yo
I might pull up in a V,
That cost more than a buck
Then turn around and burn it
Cause you thought it was plush

[Eve]
Anytime I get on fire
I get a car to match
And tell any rapper you name
You gard it black

[Drag-On]
When I bust my hammer
I nail my Nigga
We the Ruff Ryder family
All hail, my Niggas

[Eve]
And I might ride, I might die
That's up to the Lord
And my Niggas might come home
That's up to the ?

[Drag-On]
Yo, If money make you feel good
I'm happy with lead
Joe Pesci-style
Kickin' Niggas after they dead

[Eve]
Picture the litter
Hold the 4-5th for my Niggas
Writin' the venom
Ass look right in the dinner

[Drag-On]
?Dockin'? you pay
Word from me you clockin' the Yay
I hustle for real
Let you hold the block for a day

[Eve]
Pull it in your brain
And give you a hot idea
You want to low
Here's a casket you can hide out there
